Triton

Table trestles, set of 2

Bring stability to your life with some fresh looking, seriously heavy-duty table legs. Tritons are made out of 25 mm steel tubes, so they're ready to serve as a base for any tabletop. You can use them as trestles (with the table top freely set on them). Alternatively, you may opt for our Triton Grips - a set of four pieces designed to attach the legs securely to the tabletop.

Sizes: 730 x 700 x 380 mm
Material: powder coated steel
Load capacity: 400 kgs
Design: Jan Čapek

Available colors:
RAL 9003 Signal White
RAL 9005 Jet Black
RAL 2005 Luminous orange
